

CITY OF POCA TELLO

JOB DESCRIPTION / CLASSIFICATION SPECIFICATION

Position Title:	Building Official				
Pay Grade:	G16		FLSA Status	Exempt	
Department	Building Department		Supervised By:	Mayor	
FTE:	1		Position #:		
Date Established:	5/2014	Date of Review:	3/2025	Date of Revision:	12/2025

CLASSIFICATION SUMMARY

The Building Official plans, manages, and directs the Building Department for the City and serves as a Department Director reporting to the Mayor. This position provides overall leadership and administrative direction for plan review, permitting, licensing, inspection, and enforcement of all construction activities within the City.

The Building Official oversees enforcement of structural and non-structural building codes; electrical, mechanical, plumbing, energy, and fire codes; and the City's Erosion and Sediment Control (ESC) program for residential building sites. The position includes coordination and contract oversight with the City of Chubbuck for electrical and plumbing compliance inspections.

The position utilizes advanced testing equipment, specialized computer software, and technology-based tools to conduct plan review, issue and track construction permits and licenses, and calculate compliance with adopted energy code requirements.

The Building Official initiates, drafts, and maintains ordinances related to construction codes and trade licensing; prepares and manages the department budget; and hires, trains, evaluates, and supervises department personnel.

This position requires advanced knowledge of state and federal regulations governing construction activities, extensive expertise in the interpretation and application of adopted building and related specialty codes, and demonstrated supervisory experience.

This position requires advanced knowledge of state and federal regulations governing construction activities, extensive expertise in the interpretation and application of adopted building and related specialty codes, and demonstrated supervisory experience.

The position requires excellent planning, organizational, and communication skills; the ability to foresee, manage, and resolve conflict at a high level; and the ability to work cooperatively with City leadership, employees, contractors, regulatory agencies, trade organizations, and the general public. The Building Official represents the City in local building and trade organizations.

The Building Official may be appointed by the Mayor and confirmed by the City Council.

The work environment includes both indoor and outdoor conditions, including exposure to varying weather conditions. The position requires driving a vehicle to construction sites and other work locations.

CITY OF POCA TELLO

JOB DESCRIPTION / CLASSIFICATION SPECIFICATION

ESSENTIAL DUTIES AND RESPONSIBILITIES *(illustrative only and may vary by assignment)*

Building Code Administration and Interpretation

- Oversees inspection and approval of all construction projects within the City.
- Interprets, evaluates, and develops building codes and standards, including Erosion and Sediment Control (ESC) for residential sites.
- Provides guidance to plan review and inspection staff in resolving complex code issues.
- Renders final building code interpretations.
- Conducts code research and field reviews when necessary.
- Evaluates and approves or disapproves requests for alternative methods, materials, equipment, or modifications to adopted building codes.

Occupancy and Life Safety Compliance

- Approves occupancy for all new and existing buildings or structures within City limits.
- Investigates and determines whether adequate fire and life safety measures have been implemented to allow temporary or permanent building occupancy.

Inspection, Enforcement, and Regulatory Compliance

- Oversees inspection, enforcement, and compliance of the City's Erosion and Sediment Control program for residential building sites.
- Tracks violations, re-inspections, and issuance of stop-work orders.
- Ensures site inspection schedules are followed and completed.
- Oversees licensing of all construction trades within the City.

Ordinance Development and Intergovernmental Coordination

- Initiates and maintains ordinances relating to construction codes and licensing for building, electrical, mechanical, plumbing, fuel gas, energy, accessibility, house moving, manufactured home installation, and abatement of dangerous buildings.
- Reviews state and federal statutes and coordinates with regulatory agencies to ensure City compliance.
- Reviews newly published building code editions, drafts proposed ordinance language, and recommends adoption or modification to the Mayor and City Council.
- Drafts and proposes ordinance language to address deficiencies or oversights in adopted codes.

Supervision and Personnel Management

- Supervises, schedules, trains, disciplines, and evaluates employees.

Other Duties

- Performs other duties as assigned. Nothing in this job description restricts management's right to assign or reassign duties and responsibilities to this position at any time.

CLASSIFICATION REQUIREMENTS

The requirements listed below are representative of the minimum knowledge, skill, and/or ability required for an individual to satisfactorily perform each essential duty satisfactorily and be successful in the position.

Knowledge of:

- Requirements of the International Code Council (ICC) codes and referenced standards; code development and ordinance adoption processes; building construction, materials, and methods; structural engineering principles including static design and strength of materials; design practices and construction methods for residential and non-residential structures; City, county, state, and federal

CITY OF POCA TELLO

JOB DESCRIPTION / CLASSIFICATION SPECIFICATION

building codes, zoning codes, related laws, ordinances, and associated building, fire, mechanical, energy, and accessibility code requirements;

- State and federal legislation and administrative rules impacting building codes, construction standards, and local enforcement authority;
- Basic construction methods related to building inspection and code enforcement;
- City's Erosion and Sediment Control (ESC) ordinance and policies;
- Municipal budgeting practices;
- Modern management and supervisory practices, including staff empowerment principles;
- Operation of a personal computer and job-related software applications.

Skill and Ability to:

- Develop short- and long-range plans for building code development and enforcement, including regular review and updating of building code policies and interpretations;
- Evaluate and rule on code modifications and alternative materials, designs, methods of construction, and equipment;
- Interpret codes and develop policies and strategies for efficient and uniform application of adopted codes;
- Monitor, analyze, and interpret proposed and enacted state and federal legislation affecting building codes and construction regulations, and assess impacts on local ordinances, policies, and enforcement practices;
- Provide guidance in stressful situations; foresee and resolve conflict at a high level; and communicate code requirements clearly to customers and stakeholders;
- Demonstrate strong customer service principles, including effective issue resolution;
- Display cooperation and work harmoniously with all levels of City employees, the general public, and external organizations;
