

CITY OF GRANTS PASS, OREGON CLASS SPECIFICATION

LEAD MECHANIC

FLSA Status : Non-Exempt
Bargaining Unit : GPEA
Salary Grade : G45

CLASS SUMMARY:

The Lead Mechanic is the second level in a two level Maintenance and Operations series. Incumbents perform vehicle inspection, maintenance, diagnosis, repair on light to medium automobiles, trucks, public safety vehicles, and off-road power equipment. Duties include mechanical and electrical work, tune-ups, use of specialized vehicle testing and maintenance equipment and tools, customer service, records maintenance, and may include response to emergency field repair needs. Incumbents will solicit price quotes for equipment repairs and contract work, and requisition parts and supplies. The Lead Mechanic will make work assignments, evaluate the completion of work and review invoices including work orders and handle complex mechanical issues.

The Lead Mechanic is distinguished from Mechanic by its focus on more complex and advanced mechanical issues and daily shop operation functions.

CORE COMPETENCIES:

- ***Integrity/Accountability:*** Conducts oneself in a manner that is ethical, trustworthy and professional; demonstrates transparency with honest, responsive communication; behaves in a manner that supports the needs of Council, the citizens and co-workers; and conducts oneself in manner that supports the vision and goals of the organization taking pride in being engaged in the community.
- ***Vision:*** Actively seeks to discover and create ways of doing things better using resources and skills in an imaginative and innovative manner; encourages others to find solutions and contributes, regardless of responsibilities, to achieve a common goal; and listens and is receptive to different ideas and opinions while solving problems.
- ***Leadership/United:*** Focuses on outstanding results of the betterment of the individual, the organization and the community; consistently seeks opportunities for coordination and collaboration, working together as a team; displays an ability to adjust as needed to accomplish the common goal and offers praise when a job is done well.

TYPICAL CLASS ESSENTIAL DUTIES: These duties are a representative sample; position assignments may vary.
